Dear [REDACTED]

Thank you for your email of 30 March 2021 where you requested the following information under the Official Information Act:

*"We request the results of each of the submission questions (raw number and %) in the public consultation that closed last night on the draft climate budget i.e. the numbers that "strongly agree", "agree", "disagree", "strongly disagree" as posed by the Commission.  
No need to include the information for submission that do not specifically provide the answers"*

I have considered your request and I am refusing it under section 18(d) of the Act. The reason for the refusal is that the information requested will soon be publicly available. The Commission intends to publish this information after the final advice has been delivered to the Minister of Climate Change on 31 May 2021.

Please note that the Commission has a policy to proactively release OIA responses to help others have access to more information. Consequently, this letter will be published on our website with your name and contact details redacted to protect your privacy.

Kind regards
